

SALIENT[®] ACO

Improve quality of care. Maximize performance.

Salient ACO provides healthcare teams with unmatched visibility into their beneficiary populations and organization performance. Salient ACO understands the most important measures of cost and risk that are vital to your ACO achieving its goals.

The Visibility You Need. Right Now.

Salient ACO pulls data from existing sources and presents it in easy-to-use, drillable dashboards; giving instant insight into your ACO's:

- Financial Performance
- Attribution Management
- Quality Measures
- Utilization rates for inpatient and ER episodes of care.

Know Who's Helping and Who's Hurting ACO Performance.

Quickly see which TINs and beneficiaries need the most attention and what actions can be taken to manage risk, reduce spending, and check off GPRO measures.

Achieve Shared Savings & Distribute it Fairly

Eliminate the economic uncertainty inherent in an enterprise made up of hundreds of providers, multiple complex services, and thousands of participants. Adjust for risk and other variables to attract and retain providers with a fair method for distributing shared savings earnings.

Up and Running in No Time.

Try Salient ACO risk-free for 60 days at no cost. We can have your solution up and running within two weeks of receiving CMS data.

*“Salient ACO stands alone in its ability to bring together all sources of timely patient data so providers can **take action rapidly** and make a meaningful impact on both the quality of care as well as the cost of care.*

*This level of actionable insight is absolutely necessary for an ACO to **achieve shared savings** and move quickly toward accepting increased levels of risk.”*

Dr. Hymin Zucker
Chief Medical Officer
Triple Aim Development Group

Improve quality of care. Maximize performance.

The Salient ACO database updates immediately after data arrives from the CMS.

Data Type	Update Frequency
CMS Prospective Attribution	Quarterly
CMS Retrospective Attribution	Annually
CMS Claim Sharing Status	Monthly
Medicare Claims	Monthly
ACO Benchmark	Annually
Chronic Conditions	Monthly
ACO Claim Sharing Preferences	Monthly
National Provider Information	Monthly

Turnkey Solution

Have your solution ready in as little as two weeks – on your desktop, tablet and phone.

Drillable Dashboards

Display data in the way that meets your ACO’s needs and present each user with the data that’s relevant to their role.

Point-and-Click Simplicity

Intuitive user-friendly design allows anyone to get immediate answers.

Intelligence on Demand

Data is accessible immediately and processing is essentially instantaneous.

Cloud-based

No software installation required.

Built to Scale

No limitations on data, transactions, or number of users.

Fully Secure & Compliant

Fully HIPAA-Compliant, 2-step verification login, certified hosting includes built-in redundancy and DR protocols.

Up and Running in No Time.

Try Salient ACO risk-free for 60 days at no cost. We can have your solution up and running within two weeks of receiving CMS data.

About Salient

Salient Management Company offers business and government a new solution for efficient management. Drawing on diverse data from multiple sources, Salient technology measures how business activity creates value, quality, financial efficiency, and productivity, while the user interface eliminates barriers to using this knowledge for continuous process improvement.

Salient is a worldwide provider of advanced performance management and decision support systems for a wide range of industries and the public sector. Founded in 1986, Salient today serves more than 115,000 users in 61 countries.
